

NEOREST®

Luxury Defined.

TOTO®

PRESENTING NEOREST® 600 + NEOREST® 500

At TOTO, we believe a product must exude exceptional quality and distinction beyond expectation for it to be defined as truly luxurious. Ingeniously designed and impeccably engineered, NEOREST is luxury defined.

As the global leader in intelligent bathroom fixtures, TOTO is dedicated to bringing an unparalleled experience and high performance to your bath space.

NEOREST's ultra sleek design and revolutionary hygiene system strike a distinctive balance between style and substance, defining the next generation of luxury bath environments.

NEOREST.

Performance. Luxury. Control.

NEOREST® 600

The ultimate expression of modern design and superior performance.

PERFORMANCE

- Automatic open + close lid
- Washlet® cleansing with 3 modes
- Hands-free automatic flush

LUXURY

- Warm air dryer
- Built-in air purifying system
- Oscillating and pulsating comfort washing

CONTROL

- Slim and sleek remote control
- Adjustable heated seat temperature
- Adjustable spray with precision positioning
- Energy saver timer
- Manual override function

Performance. Enhancement. Control.

NEOREST® 500

Striking form and intuitive functionality come together in a compact design.

PERFORMANCE

- Automatic open + close lid
- Washlet® cleansing with 3 modes
- Hands-free automatic flush

ENHANCEMENT

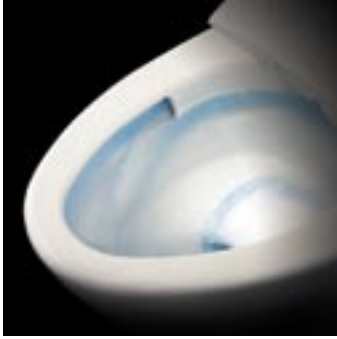

- Compact size
- Warm air dryer
- Built-in air purifying system
- Oscillating and pulsating comfort washing

CONTROL

- Easy-to-read remote control with LCD panel
- Adjustable heated seat temperature
- Adjustable spray with precision positioning
- Energy saver timer
- Manual override function

LUXURY DEFINED.

HIGH PERFORMANCE

Always an industry leader in innovation, TOTO has created a revolutionary, multi-sequential flushing engine within the sleek, tankless NEOREST® body.

A water-saving 1.2 gallons per flush mode is engaged once the seat automatically opens, guaranteeing optimum efficiency and water conservation.

INNOVATIVE DESIGN

The unique rimless design ensures a clean bowl rinse after each use. No rim holes mean the interior of the bowl is smooth and ideal for easy cleaning.

TOTO's SanaGloss™ glaze not only keeps the NEOREST looking lustrous but also helps to maintain a hygienic environment.

ADVANCED TECHNOLOGY

Sophisticated sensor technology makes NEOREST a highly intuitive product.

Upon approach, the lid automatically opens, and with a touch of a button, the seat automatically rises.

Walking away from the NEOREST automatically engages the flush mode as well as the closing of the seat and lid.

ULTIMATE CONTROL

The wireless remote controls put the operation of NEOREST's advanced features at your fingertips.

The slim and sleek design of the wireless remote control complements the style of the NEOREST 600.

A wireless remote control with LCD panel allows for easy operation of the NEOREST 500.

WASHLET® FUNCTIONS

The Washlet® is a modern personal hygiene system that uses aerated water to provide cleansing gently and naturally.

FRONT AND REAR CLEANSE

With just one touch, a nozzle extends from under the seat for soothing and gentle warm water cleansing. Water temperature can be set between 86° and 104°F.

OSCILLATING CLEANSE

This back-and-forth motion of the nozzle provides maximum comfort and optimum warm water cleansing.

AIR DRYER

Enjoy the ease and comfort of hands-free drying with adjustable warm air temperature.

HEATED SEAT

The specially designed and contoured seat is heated to provide maximum comfort. An integrated sensor maintains the desired setting between 86° and 104°F.

SELF-CLEANING NOZZLE

The self-cleaning function cleanses and sanitizes the entire antibacterial nozzle before and after each use.

AUTOMATIC OPEN AND CLOSE LID

The automatic opening and closing of the lid is activated by sensors, while a simple touch of a button lifts and closes the seat.
